

Vivid® Collection Cavity Sliding Door Edge Pulls

The Lockwood Vivid® Collection Cavity Sliding Door Edge Pull is used as a pull handle on the edge of the sliding or pocket doors. It is designed to be flush mounted to your door and comes in three coloured PVD finishes to match the rest of the products in the Vivid® Collection.

Application

Suited to numerous applications which require the door furniture to be flush with the edge of the door. It also can be used in combination with a flush pull to create a passage solution for any internal room where the door is fully pocketed into the wall cavity.
