

Nidus Mediterranean Series - Roma Lever

63mm rosette - suits 50mm crossbore hole.

Concealed fixing.

Limited Guarantee: 10 years mechanical. 5 years finish.

This lever style is also available in an entrance function, as a lever on longplate set to suit the OZI lock entrance set (made in Australia).

Passage Leverset

Polished Chrome, Satin Chrome, Polished Brass

For Hallways and non locking doors.

Tubular Latch not included. Order Nidus "LATDS60--specify finish" double sprung Tubular latch separately.

Privacy Leverset

Polished Chrome, Satin Chrome, Polished Brass

For bedrooms and bathrooms where a privacy snib function is required. Features internal side automatic release and external side emergency access.

Privacy latch included.

Dummy Lever Fixing Kit

Non operational Dummy lever function for closets and robes.

Specify the Nidus Mediterranean Dummy fixing kit (Code: MDUMKIT). You would need 2 x MDUMKITs to convert 1 passage set into a pair of Dummy levers (left hand and right hand dummy lever.).

The dummy spindle is fixed to the handle through from the back of the door. Be careful to specify left or right hand - for your reference, the lever pictured on this page is "Right Hand".
